

## ROCK FROG OUTDOOR ACTIVITIES

### In-House Tuition Costs

#### West London Catchment Area

Where a school, College, University or other educational establishment is within our catchment area, no charge is made for travel to and from the venue.

Where a school, College, University or other educational establishment is outside our catchment area, a charge of 40p per mile is made for each journey to and from the venue. The cost of travel will remain the standard 40p per mile by whatever means the journey is made.

Travel costs are calculated using a standard AA route finder between our SL5 postcode and the postcode of the venue. Deviation of route is not taken into consideration.

*Example:*

*In-house G.C.S.E. climbing course theory lesson:*

<i>Venue:</i>	<i>Abig School, London W7 2PT</i>
<i>Cost of lesson:</i>	<i>£75.00</i>
<i>Venue distance from base:</i>	<i>19.5 miles</i>
<i>Cost of travel to and from venue @ 40p per mile:</i>	<i>£15.60</i>
<i>Total cost:</i>	<i>£90.60</i>

### **Congestion Charge**

If the teaching venue is within the congestion charging zone and travel cannot be affected by public transport then the congestion charge will be passed on to the establishment booking the event or lesson.
